Purchase Contract & Health Guarantee

Name:	**Breed:**
Color:	**Sex:**
Sire:	**Dam:**
Date of birth:	

The deposit of $ _____ has been made via _____ , representing 25% of the final balance of $ _____ (shipping included). The remaining balance of $_____ is due to be paid by Buyer to Seller ? weeks before _____ (approx. Placement Date) via the agreed payment method. The entire payment for the puppy is to be paid before pick-up or delivery.

The Buyer understands that once a deposit is made, it is a commitment to buy said puppy and is therefore NON-REFUNDABLE. Buyer will forfeit the deposit and said dog, which will then be sold to another party, if not paid in full by the date of _____.

Any modifications made to this agreement shall be made in writing or such shall not be valid. It is then agreed upon by both the Seller and Buyer that the following conditions will be met and that no other conditions or warranties are implied.

All puppies will have registration certificates at FCI (World Canine Organization) or AKC depending on the location of Buyer. These documents are recognized by kennel clubs worldwide and can be used for registering the pedigree of the dog in almost all other countries.

Once the deposit is made the Buyer is allowed to see his puppy on videocall, two times a week at most, until the said puppy is ready to be placed at Buyer's home.

The Buyer Agrees

1. To use the name Frenchie House as the prefix in the registered name of the dog when registered.
2. The dog can not be sold to any third party such as an agent or puppy mill.
3. The dog cannot be given or sold to any other individual or organization without a letter of consent from Frenchie House Kennel.
4. The dog must be kept in a proper and healthy manner. It shall not be kept permanently in a kennel or on a chain.
5. The puppy will be provided with routine health care, such as but not limited to annual physical exams, vaccinations and worming as recommended by a veterinarian.
6. Failure to comply with contract requirements and responsibilities or in any way to neglect the emotional or physical well-being of said puppy/dog will result in negation of this contract.

Health Guarantee

All puppies bred by Frenchie House have been properly taken care of until sold. They come with an international passport, microchip, and all medical treatments and routines necessary at their age

(kennel cough , giardia. The parent animals were selected in order to produce healthy puppies free of congenital diseases.

All dogs are vet checked before sales, and any issues that may come up will be disclosed to the Buyer. We provide the medical of said examination.

The puppy provided by Frenchie House is guaranteed to be in good physical condition for the first 72 hours of delivery to the Buyer with a one-year health guarantee.

This dog should be examined by a licensed Veterinarian within 72 hours of receiving the puppy, at Buyer's expense. No exceptions are allowed other than non-working days. If the puppy is found in the first 72 hours to have a severe physical condition that can be clearly attributed to Frenchie House Kennels, upon written diagnosis from a licensed veterinarian, the Buyer is eligible for a 50% refund of t the total price of the puppy.

This dog will be free of any genetic/hereditary defect that causes death or serious impairment and vital functions in the puppy until said puppy is one year of age. If such a condition is detected and well documented by a licensed veterinarian with enough supporting evidence, the Buyer is eligible for a 50% coverage of the medical bills on behalf of the Seller.

This French Bulldog is not guaranteed for what is considered normal for the bulldog breeds, such as: cherry eye, loose hips, skin allergies, skin yeasts, skin fungus, luxated patella, entropion, ectropion, elongated soft palate, everted laryngeal saccules, stenotic nares, Brachycephalic syndrome, underbite, inverted tail or inverted vulva, hernias of all or any types and occasional heart murmurs of a 1–3 level, that are not life-threatening. All of the above-listed issues are correctable and will not adversely affect the bulldog for any of its future life's pleasures. It is understood that some of these "normal bulldog issues" can occur later in life and are not the fault of the breeder.

Non-life threatening health issues, such as kennel cough, coccidia, giardia, luxated patellas, demodex, etc. cannot be covered under warranty, because it can be caused by environmental issues.

Seller assumes no liability in the event of an accident involved with your dog, including but not limited to dog bites or personal/property damage, after placement of the dog. To benefit the dog and the owner, proper socialization and training is recommended.

By signing this contract, the Buyer and Seller agree with the terms and conditions specified above.
